

# 591 Double Coated Tape

## Product Description

591 is a double coated bleached flatback paper tape with high shear resistant pressure sensitive natural rubber/resin adhesive. It bonds to almost any surface.

## Main Applications

- Applications needing two adhesive surfaces
- Photograph mounting
- Carpet installation
- Textile manufacturing

## Technical data

	Metric	Imperial
Thickness	178 µm	7 mil
Adhesion to steel	5.7 N/cm	52 oz/in
Elongation at Break	3%	3%
Tensile Strength	60 N/cm	34 lb/in
Operating Temperature	≤93 °C	≤200 °F
Long Term Temperature Resistance	≤93 °C	≤200 °F

## Backing

Kraft flatback

## Type of Adhesive

Natural rubber/resin

## Liner

Crepe paper

## Colour

Note: The physical and performance characteristics shown are averages obtained from tests performed according to ASTM and PSTC test methods. MPI Matco can make no warranty of any kind as to the results of the adhesive product use. The information published here is representative of laboratory research on these products and is believed to be reliable. Values should not be used for specification purposes. Each user should perform their own tests to determine the suitability of the product for their intended application and shall assume all risks and liabilities in connection therewith. Materials should be stored at 70°F (21°C) with 50% relative humidity.
