

RP3 Filament Tape

Product Description

RP3 is a uni-directional polyester film strapping tape with reinforcements and pressure sensitive, natural rubber adhesive. It offers high tensile strength, high adhesion and high impact strength.

Main Applications

- Packaging
- Holding
- Palletizing
- Bundling

Technical data

	Metric	Imperial
Thickness	234 µm	9.2 mil
Adhesion to steel	4.2 N/cm	38 oz/in
Elongation at Break	20%	20%
Tensile Strength	480 N/cm	274 lb/in

Backing

PET film

Type of Adhesive

Natural rubber/resin

Colour

Note: The physical and performance characteristics shown are averages obtained from tests performed according to ASTM and PSTC test methods. MPI Matco can make no warranty of any kind as to the results of the adhesive product use. The information published here is representative of laboratory research on these products and is believed to be reliable. Values should not be used for specification purposes. Each user should perform their own tests to determine the suitability of the product for their intended application and shall assume all risks and liabilities in connection therewith. Materials should be stored at 70°F (21°C) with 50% relative humidity.
